TREASURER JOHN A. GOODING has gone on a JAG with his own perf-in. Gooding has become the latest member of the Club to acquire a personal perforator. He'll provide copies of the perf-in at cost to anyone who asks. He'll also perforate your stamps, provided you send him only current issues. In each case, please send along an SASE for John's convenience in responding. Write Gooding at 923 North Anita Avenue, Gonzales, LA 70737.
